

## IT'S NOT A PROBLEM FOR MOST PEOPLE

Most people don't 'sext'  
but a lot of people talk  
about it

Most people that do it,  
don't have any problems.  
Especially if they both  
were up for it.

# SEXTING

SENDING SEXY TEXTS,  
IMAGES OR DIY PORN

## IN FACT IT CAN BE REALLY GOOD

It can be a good way of  
talking about what  
turns you on

It's a way of being  
sexual and intimate if  
you can't be together
