

No. 17 HOW TO ... access ANATOMY.TV

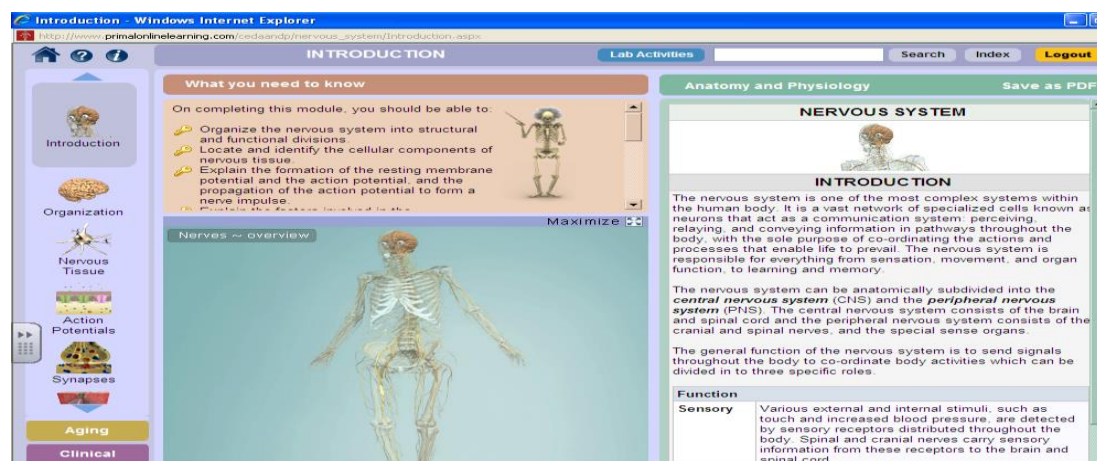

Anatomy.TV Primal Pictures: Anatomy & Physiology covers all aspects of the human body from the skeleton to the endocrine system.

Primal Pictures can be accessed from:
the VLE – Student Intranet – LRC Library – Online Resources, or via your ATHENS account.

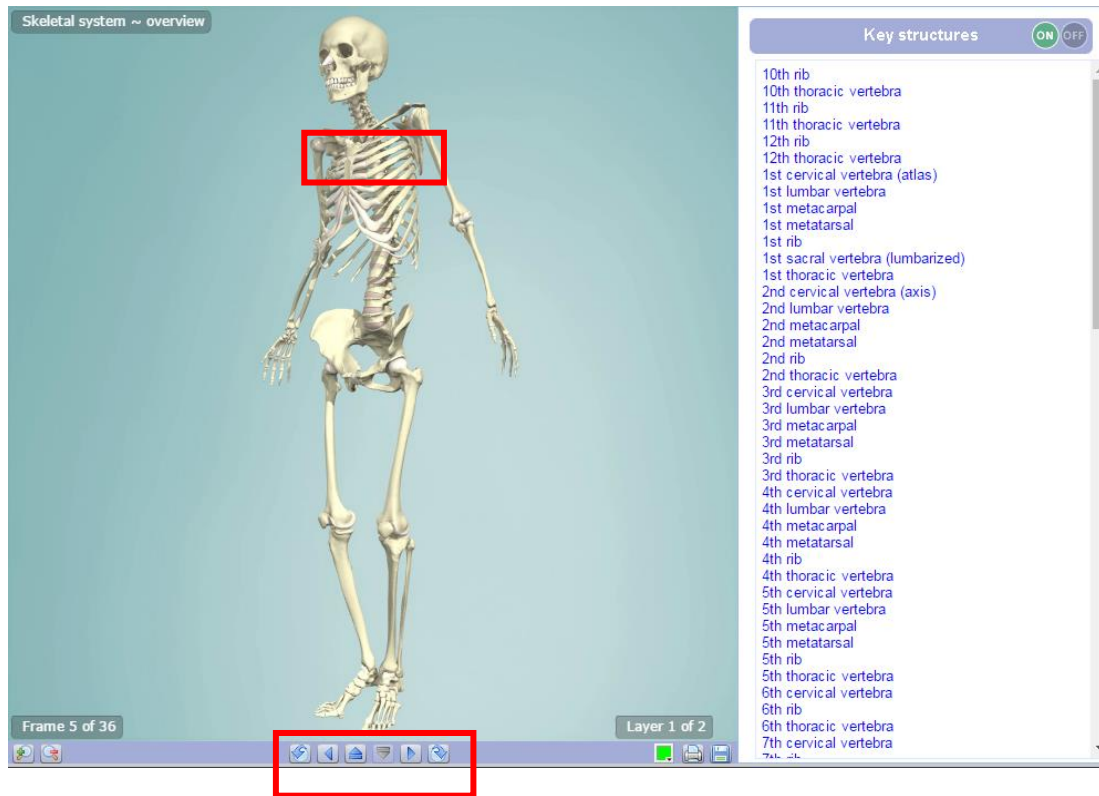

1. On accessing the resource, you can navigate the resource by **Modules**, **Search** or **A-Z Index**

2. The screens split into several panels, each one with its own navigation and scroll bar.

3. The central panel can be maximised and the image rotated.

Selecting any of the structures from the panel on the right e.g. 3rd rib, will highlight them on the image.

4. The home page interactive panels also give further information and guidance.
