

## No.11 - HOW TO ... ACCESS HAIRDRESSING TRAINING

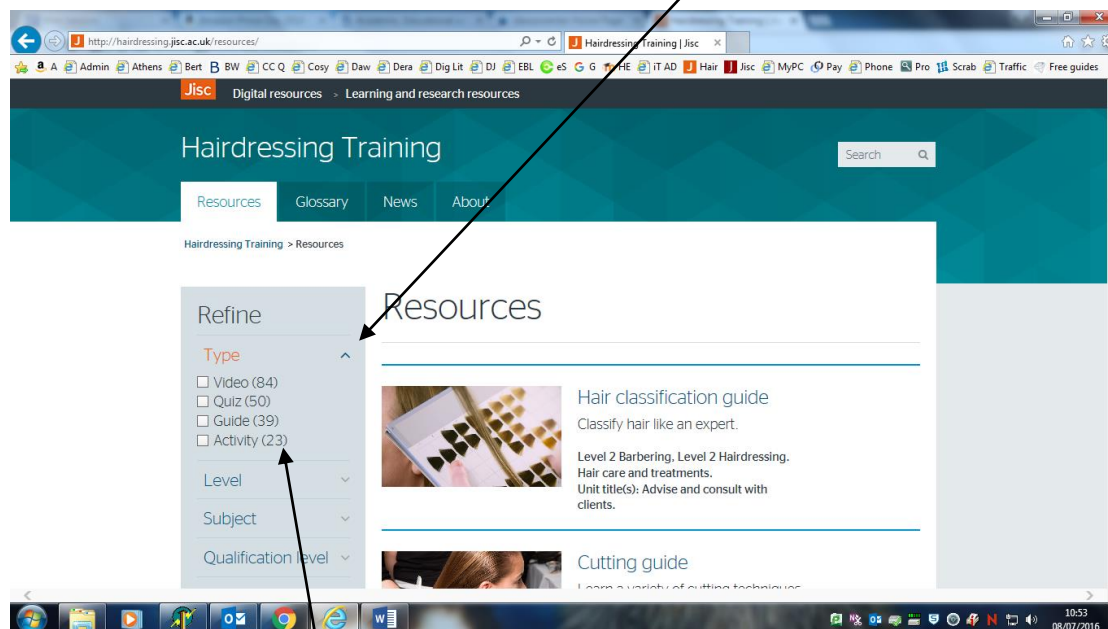

1. **Hairdressing Training** is a **free service** for anyone to use, with no restrictions, saving teachers time and money finding or creating their own resources. There are nearly 200 quality resources, mapped to the **NVQ** and **SVQ hairdressing/barbering curriculum** and aligned to the latest National Occupational Standards (**NOS**). The resources act as a useful reference point to aid revision for students and enhance the overall learning experience, backed by the credibility that every resource has been validated by hairdressing teachers and practitioners in UK FE colleges. The resources can be reused, remixed, printed off, downloaded or embedded into the college VLE and the site being mobile friendly you can access the resources anywhere at any time.
2. To access the database, you can go directly to the website, the address is: <http://hairdressing.jisc.ac.uk/> Once logged on the following screen appears, here you can navigate around the site and look at all resources available.

3. **How to use the site** – The main sections of the site are always available from the **navigation tabs** at the top of the page. Simply click on the name of the section where you want to go.

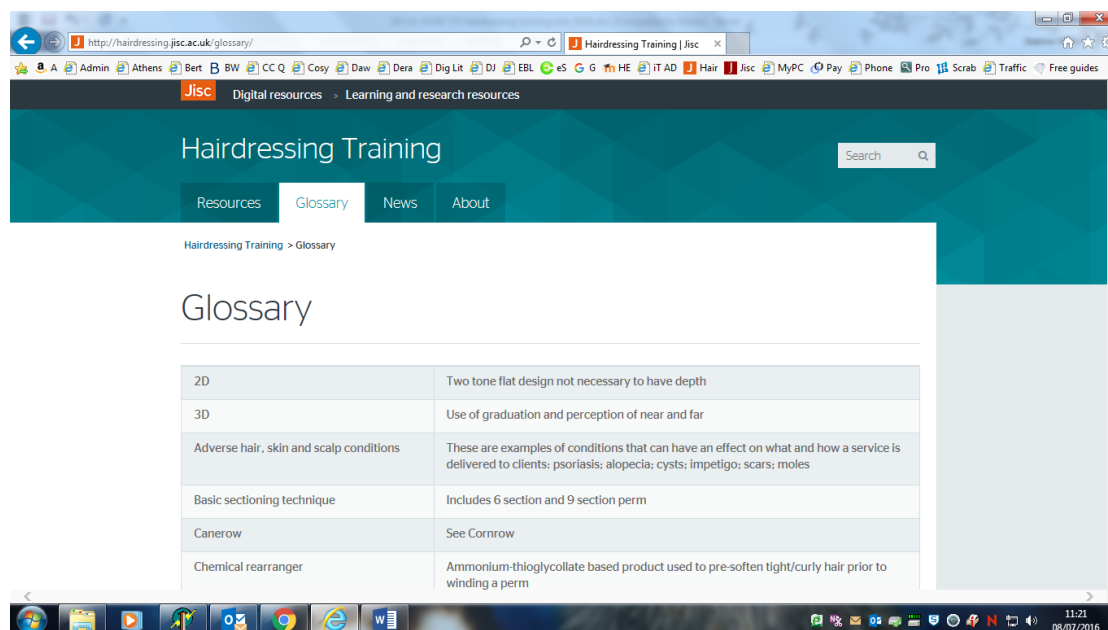

4. **Resources** – All of the content is now located in the resources tab and split into different sections which are by **Title, Level, Subject, Qualification Level** and **Unit Title**. Each of these sections has various listings and to view them you need click on the **arrow** to open the full content.

In **Type** you can look at videos, quizzes, guides and activities and the **number in brackets** indicates how many items are available. The process of accessing material is the same in all areas and to view any item you click on the link.

5. **Glossary** - There is now a glossary which highlights commonly used terminology in the industry. It is listed alphabetically, just scroll down to see what is listed.

6. **Hairdressing App** – There is now a new Hairdressing Training mobile app, which brings together all of the popular training videos in one simple to use app, freely available on mobile devices.

Download the app at you [Google Play](#) or [App store](#), or scan the QR code opposite. Further information can be found on the [latest news item](#), or at the [Jisc website](#).

7. **Help** – If you need help with the site please look at the contact information below, or ask LRC staff for help.

## Helpdesk
