

No. 9 HOW TO ... ACCESS CareKNOWLEDGE

1. **CareKNOWLEDGE** is a full text database covering social care topics in England. It can be accessed via the Internet Library page, the Intranet, Moodle VLE and your ATHENS account.

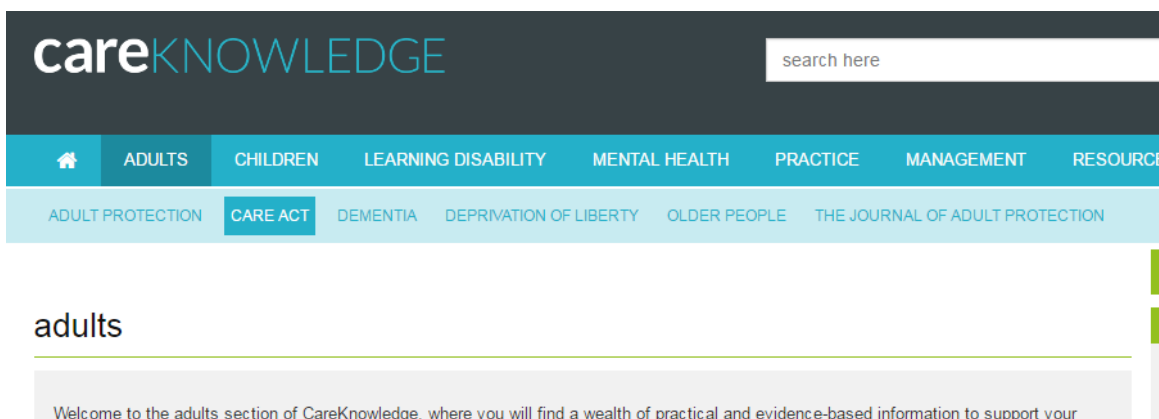

NB. In college, you have instant access to **CareKNOWLEDGE**. Off site, you will need your ATHENS account details.

2.

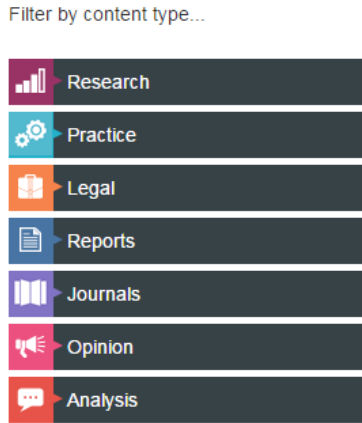

Use the simple search box to locate the information you require.

Alternatively, use the menu bar:

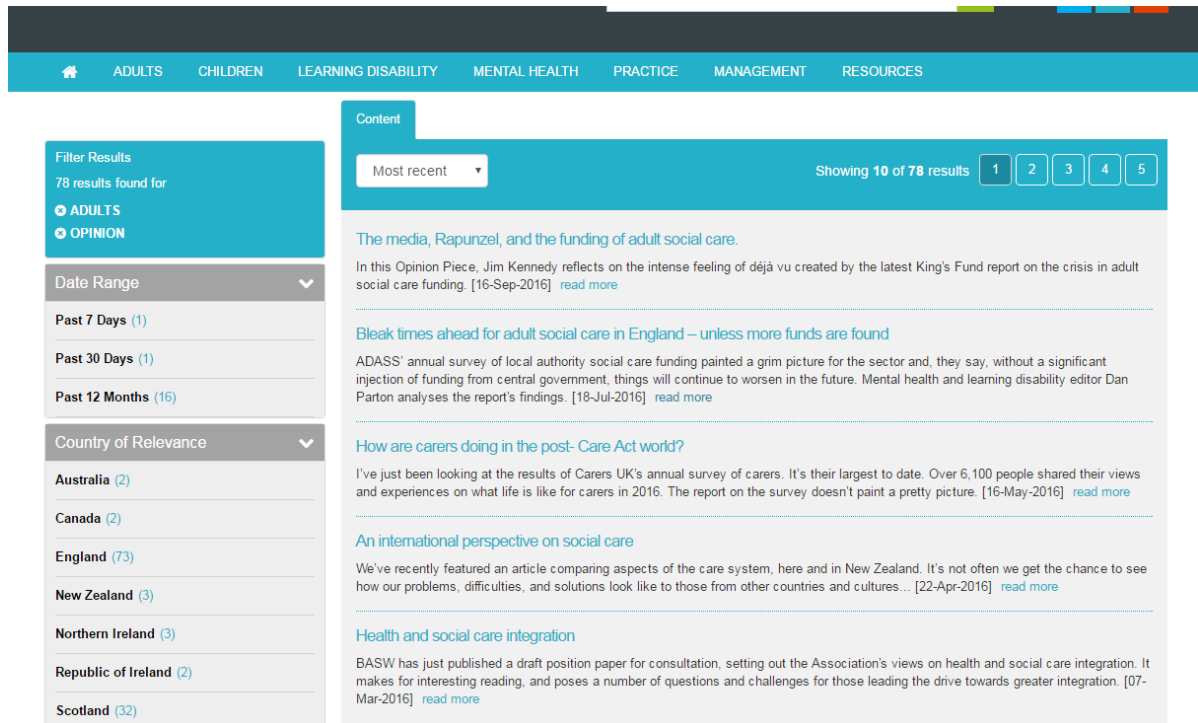

The site allows you to search by Adults or Children and their sub-groups, including mental health, child protection etc.

3. Content can be filtered by type. These filters can be found on the right of the homepage.

4. Results appear as shown below:

Results can be refined by **Date, Geography, Client Group or Topic** by using the menu option on the left of the screen.
